Informal Public Session:

Although a quorum was not met, an informal open session was held to hear questions, concerns, and comments from attendees. The following topics were discussed:

- Softball Coach requested holding open practices during the summer. (**Outcome**) As long as we are notified ahead of time. Also informed everyone that we will be receiving new LED Lights on baseball and football fields from the county and they should begin working on the upgrades at some point this summer.
- Park member asked if there is a way to order concession products when they run out or if something can be done about concessions as things were not stocked properly during the season. (**Outcome**) Informed them we are working on putting together a concession team that is on rotation and will help with setting up concessions.
- We asked if anyone else had further questions and nothing was mentioned.
