Treasurer's report

Maine Black Bears event

Great turn out

Players want to come help with practices when they can

Good grounds to make the event annual.

Scheduler- Lee-Ann Salley has accepted the position as scheduler. She has asked a few other moms to help her make sure it is sufficient and appropriate for each team. She is already working on scheduling games.

Jerseys - been waiting all summer for jerseys from Gunny. He is getting the numbers on them supposedly. We still have to put sponsor strips on 10U and 12U jerseys, but I have been waiting for all jerseys. Looking into Beauty Uni's for the next purchase of jerseys to support local Maine business (Portland) and they are amazing quality.

- We still haven't paid Gunny for any of the jerseys or socks. I have asked numerous times for an invoice.
