Lower Division Central Champions 1946

D-9 Champions 2022

Lower Division Finals 1952 * I A Finals 1962

Football has been a part of Laguna athletics since 1934. The first team competed as a Junior Varsity squad but still played three varsity games. The initial uniforms were white jerseys, khaki pants, shoulder pads, black & tan headgear. The team used no nickname for the 1934 season - "Breakers" was adopted December 7, 1934 and was used for the inaugural Varsity season in 1935. The mascot then switch to "Artists" on June 4, 1936 and was used for 66 seasons until returning to the Breaker moniker for the 2002-03 term. Since the 1960's thru 2015 football playoffs were based on "league equity" evaluation rather than school enrollment. From 2016 thru 2019 computer ratings were used for division placement. No playoffs were held in 2020 and actual current season ratings were used beginning in 2021.
