West Covina Youth Soccer Corporation - Player Rating Instructions

Rate players relative to their play this season within their division, do not take into account age or the fact that they may be moving up a division.

Rate players from 1 (highest) to 5 (lowest) using guidelines below. Average rating is 3. Any player rated above 3 is above average in their division, and conversely, any player rated below 3 is below average in their division.

Rating		
1	Excellent	Display advanced skill in ball control and decision making. Adapts to changing game situations with ease. Can play any position with equal ability.
2	Strong	Displays above average skill in ball control and generally makes sound decisions during the game. Adapts well to most situations. Can play most positions with good ability.
3	Average	Attempts various ball control techniques with increasing skill. Makes good decision in most situations. Can play 1-2 positions with few problems.
4	Below Average	Has basic ball control skills. Needs frequent direction as to playing decisions. Mainly plays one position with good ability and results.
5	Needs Guidance	Rarely involved in active play. Displays limited skill and knowledge of the game. Needs continual coaching direction during game play.

PRINT correct spelling of players name from REGISTRATION FORM. This form will be used to order trophies.
