

GLASA TOURNAMENT

COVID-19 PROTOCOL

As players and teams begin to resume soccer activities the Greater Lewisville Area Soccer Association (GLASA) is putting forward these guidelines and protocol for game play in accordance with CDC's recommendations in partnership with other city and partners. All participants in a GLASA sponsored event will be required to abide by the following protocol to assure the health and safety of all participants and staff.

- If you or any member of your immediate family is sick or suspect you may be sick, please stay home and do not expose yourself or your child to others and do not attend the tournament.
- Face Mask and social distancing are required for EVERYONE stepping foot onto any and all facilities being used during the tournament. Mask should remain on at ALL TIMES and only be removed by **players and referee's during game times**.
- Players and coaches may not arrive more than 30 minutes before your game time. Teams should immediately vacate the field and sidelines after games. Post-game meetings should be held away from the field with mask on and social distancing. Please do not crowd fields with active games. Wait for teams to clear the sideline completely before taking your place on the field. Players not on the field and coaches should practice social distance from each other, the other team, and Assistant Referee.
- Please do not allow huddles or physical contact such as handshakes or fist bumping of players, coaches, and referees before, during, or after games.
- Spectators may not arrive more than 5 minutes before your game time and should vacate the facility immediately after games to avoid congregating and to allow the next participants access.
- Spectators MUST remain at least ten (10) feet from the touch lines at all times and please remain six (6) feet from other families.
- Removal of all benches and bleachers from all facilities has been requested to discourage gatherings. Any bench, bleacher, or table that has not been removed should not be used.
- In the case of an injury, the health and safety of the player will remain the top priority. Care will be taken by the coach when addressing small injuries and on-site medical for larger injuries. Parents will be notified immediately if their assistance is needed, but should remain on the spectator side unless requested by the coach, referee, or staff member.
- Do not share equipment.
- Please wash your hand often with soap and water to ensure the safety of players and staff.
- Please respect others with social distance and by not gathering in common areas such as restrooms and concession areas.

Your cooperation with these protocols will allow the tournament to take place. Should these protocols not be adhered to, you risk the safety and health of other as well as the facilities being closed immediately resulting in cancelation of the tournament.
