Squirt: Please scan the score sheets right side up and please put the level and score on the subject line of the email. That would help a lot. WI teams, please use the MN levels

AA, A, B1, B2...etc. Ron Coller asked if the refs were doing better and the level reps said yes.

Jim Sass: Nothing to report

Supervisor of Officials- Terry:

- Not present

MEHOA Rep- Nick:

- Wants to know how to handle ending games when the hour is up, but the doors haven't been opened yet. How much control do the refs have to say that the hour or hour and a half is up and the game is over? How do they handle this? Ron Coller suggested that the start and end times are to be written on the tops of the score sheets and that is the times that are to be used for the game. It was determined that the refs need to take control and call the game when the time is up. Follow the standardized league format, depending on the level.

ADM-John: Nothing to report

Old Business:

- Jake asked about the \$305,000.00 in the bank. The Treasurer responded that it is insured up to \$250,000.00, but also stated that it won't be that high after the first of the year. Dave stated that he will look into maybe putting some of the money into a CD or something else.

WB motioned for the secretary to purchase a get well card for Terry Thorsheim and mail it to him. Stillwater made a friendly amendment for Chris LeClair to purchase Terry a get well card and \$50.00 gift card to Carbones. Mahtomedi 2nd. Motion carried.
