

RINK GUIDELINES

We are open and continuing to do business under the following
COVID-19 GUIDELINES

- Face Coverings are required over the mouth & nose while in the building
- Face Coverings are required for Coaches on ice
- Coaches are required to use electronic whistles
- Players should have a face covering on at all times, once they put their helmet on with a cage a face covering is recommended but not required.
- Face coverings are required at all times for open skate including on the ice
- We ask that you limit 2 spectator per skater if it necessary for you to stay in the building if you are able to wait outside or in your car it would be appreciated
- Please arrive no more than 15 minutes prior to your scheduled ice time with the exception of goalies
- Players are **required to come to the rink home dressed** and leave from the rink home dressed
- Please follow ALL recommendations; mask up & social distance (even with friends)
- There is no food or drink allowed in the building at this time
- Please label your skater's water bottle clearly with their first & last name
- If your skater has ANY symptoms or has been near anyone who has, please keep your skater home.

Thank you for your cooperation as we continue to keep
everyone safe and skating!
