ACTION BULLETIN

Bulletin #: A2019-012
Date: Nov. 29, 2019
To: Ontario Soccer, District Membership, ORA, Associate Members
CC: Ontario Soccer Board of Directors, Staff
From: Patty Forbes, Director, Administration
Subject: OSCAR Outdoor Registration 2020

Ontario Soccer has opened the Outdoor 2020 season and is pleased to confirm that "OSCAR", the Ontario Soccer Club & Academy Registry, powered by SportsEngine, is ready for use for the Outdoor 2020 season.

You will notice that the number of divisions (playing classifications) has been reduced and provides greater clarity. Ontario Soccer have also updated the approval settings to reflect the level of play such as recreational players do not require approval.

Ontario Soccer are also updating violation notes and warnings that will notify the administrator when registration rules are breached.

More detailed information will follow regarding these updates and a conference call will be scheduled to provide answers for any questions organizations may have.

As always, the Helpdesk of SportsEngine is available to assist with any issues organizations have regarding functionality, duplicates etc.

Please note, if the HelpDesk does not reply in a timely manner please forward this issue to your district and they will escalate the Patty Forbes, Director, Administration.

If you have any questions or concerns please contact [Patty Forbes](#), or [Tom Wilkinson](#).
