

## Advanced Program

NEW for the 2019-2020 season, the Advanced program is designed for those skaters that have passed Preliminary Freestyle and are interested in advancing their skills in the group lesson setting. This group lesson structure allows skaters to build on the advanced skills they have already learned while actively practicing and mastering other skating disciplines including dance, moves in the field, freestyle, power stroking, choreography, and edge work.

\*The Advanced Program meets 3 days a week for 1 hour each day.

\*Skaters must have passed the Preliminary Freestyle level to participate in the Advanced Program.

**Class Days:** Monday, Tuesday, Wednesday

**Class Times:** 6:30pm - 7:30pm

**Cost Per 6 Week Session:** \$165

**Full Season Rate:** \$405
