We will keep the budget at the same with team fees being 500.00 per team and an advertising fee of 200.00. Each team can once again decide on how the advertising fee fits best into their team and community. Jerry noted we need to have some advertising on the home page, if you wish to see several companies advertised on the home page send westmanhighschoolhockey@gmail.com a .jpg of any information.
- Scholarship – The scholarship will remain at \$500.00 for the 2018/19 Season.

What is Zone 4 doing? (Nothing to be noted here)

Co-Chair Report

- Forbes - good year overall, the odd phone call and other small issue, nothing too major from across the league.

Commissioner's Report

- Doug Roach - Game sheets can be a major issue, please get a scanner on your phone to scan a clear copy of the game sheet and send to all precribed email address on the league website. There is a great page on the website

describing a proper filled in game sheet. PLEASE USE the time off the clock
- no math needed! Suspensions need to be duly noted on the game sheet
and followed even thou you might not get a timely email from the
commissioner.

Team Commitments

- 2018-19 Season has once again 19 confirmed teams.

League Structure & Schedule

a) League Structure - Last week of October to Feb 10 - will be the last league game.

- 3 Divisions - status quo as last year, means a 24 game schedule. You will travel to the teams that came to you last season. Consider moving to a larger home and home schedule - will it fit?
- Ref system (1 ref / 2 lines) any games you want 4 man system is your choice.

b.) Play-off structure - League - the league playoff structure was great last year.

Division winners will be 1,2,3rd and the 2nd of each division will be 4,5,6th, with 7 and 8th place be decided with the wildcard playoffs.

- Provincial Play-off weekend - this year for A/AA will be a travelling schedule at the higher ranked teams having the home game. The team that wins travels to the next higher ranked team, or hosts another team depending on the rankings of the winning team

- 4 man for semis and finals again - worked well and will be required again this season.

c.) Game Protocol - 3 - 20's. There will be a 15 minute warm-up will start 30 minutes prior to stated game start time. If different from above the home team MUST inform the visiting team.

i.) All-Star Game - Certificates again. It was discussed, this was a good method and teams did not miss the actual game. We discussed methods to recognize more players and need to have more teams nominate players. Last year we had a first all star and second allstar. This year we will choose:

- 1) First all star from the whole league. Then a Second team divisional allstar from each division. All teams need to nominate at least 1 player by Feb 1st, with voting done by Feb 4th. There will be a google nomination/voting player that will be shared within the league.

j.) Rosters - Please use the Roster shared folder so that everyone has access to these rosters. Name, number, grade, coaches, and list APs. to be used by each team for programs.

l.) Player of the Week - who wants this job? No One answered of wanting this job so Jerry will choose and place a player of the week, from stats submitted on games sheets to westmanhighschoolhockeyleague@gmail.com The league will use some league funds to purchase 20 weekly stars @ \$20 = \$400.00 (I was thinking some gas cards, subway cards, or itunes etc)
