

Fuel Tank at Fishers

We ask that teams do not arrive more than 1 hour before the game for 15U and above 45 mins for 14U and younger.

Masks are required in the rink in all common areas.

We need the teams out of the locker room 20 mins after the game for cleaning and sanitation.

Please do not congregate in the lobby.

No eating in the lobby.

Follow all CDC guidelines if you feel sick. Please do not come in the building.

Please do not abuse the staff there following rink rules if they remind you or the team about masks. Abuse of staff will be swiftly dealt with by Fuel Tank Management.

Please inform visiting teams of the policies.

Any concerns can be emailed to:
