Girls 12U, 13U, 14U

2021-2022 Indoor Season

# ABOUT IMPACT

- The club was formerly established in 2008 under the name Northern Impact Volleyball Club. In September of 2016, Northern Impact Volleyball Club was reorganized into a not for profit 501C3 and renamed Impact Volleyball Club, Inc. Since the club's inception, it has grown immensely and has provided many youth of the community an excellent cost effective opportunity to learn and promote the sport of volleyball. Over the years, Impact VBC has offered volleyball instruction and club team opportunities to both girls and boys ages 12-18. Since 2015, Impact VBC has offered a beach volleyball program called Impact on the Beach that has consistently grown in popularity. In 2019, Impact Beach formed AVP Academy-Fox Valley to continue to grow and improve the quality of beach volleyball instruction in the area. The club also hosts several youth tournaments and an instructional camp each year. Impact VBC is a member of the Badger Region of USA Volleyball.

# MISSION STATEMENT

- Impact Volleyball Club was created to provide a fun and highly competitive form of club volleyball to it's members. Impact VBC provides its members with advanced skills training and tactical instruction in a positive, competitive learning environment. Through our training, members will learn the basic fundamentals and current techniques of volleyball, as well as more advanced strategies to become more successful, more confident, and highly skilled overall volleyball players. We hope to provide a safe and fun environment that fosters growth as an athlete, a teammate, a citizen and a lifelong love for the sport of volleyball.
