“Team SD gave me the opportunity to turn regular season competitors into teammates and friends.” ~ 16U Team SD Player

“Being on Team SD has given me the experience of playing with an entire team of like-minded girls my own age.” ~ 19U Team SD Player

“Team SD has been an amazing opportunity for our player and our family. We have all made strong friendships throughout the state of SD. Running into Team SD family during the regular season is a great experience for youth today to learn that competitors can be life-long friends.” ~ Team SD Parent
