

Dear Duluth Community Members,

Duluth 709 Baseball is starting our second season! We are a comprised of players and volunteers that are from across the city of Duluth. We will be competing in Gopher State Baseball, which offers more opportunity for baseball at the 10-15 year old age level. We will offer both League teams and Tournament teams for our players to play locally and across the state of Minnesota.

We need your support to ensure the success of our baseball program. Would you be willing to sponsor our program to assist with equipment, uniform and scholarship needs?
