Dear Valued Member of the South County Community,

We are asking for your help in supporting South County Crew, a self-funded club at South County High School for students in grades 9-12. Crew is a team sport that fosters commitment, dedication, and both physical and mental toughness.

Our season starts with the Polar Bear Regatta at Sandy Run on the Occoquan in March 2025. We will compete in regattas every weekend, culminating at the Scholastic Rowing Association of America in Cooper River, NJ, on May 23-24, 2025.

Help Us Reach Our Sponsorship Goal of \$10,000!

We will proudly feature your name and logo at our boathouse, regattas, and on our website. With several sponsorship levels available, you will reach over 3,000 potential customers through our events and training. Besides displaying your brand on t-shirts, banners, newsletters, and our end-of-year program, we welcome any creative ideas to enhance your sponsorship.
