We are committed to staying open for our community for both physical and mental health. Our club is extremely large and has the highest cleaning standards.

It is recommended that members wear masks in and out of the club, but we do not require them to wear them during exercise. All members are expected to wipe down equipment and to practice social distancing.

If you would like more information please stop in for a tour, call us at 920-560-0001, email me directly at nhawley@valleyfitnessandracquet.com, or visit our website at www.valleyfitnessandracquet.com. We have pictures of the club & staff, guidelines regarding Covid-19, membership options, class schedules, and a list of our amenities.

If you are interested in a more long term option, we have our Fall Promotion where you can get until January for free! Let us know if we can help you out.
