WELCOME TO ANOKA HIGH SCHOOL HOCKEY!

Tornado Hockey Fans,

Welcome back to another exciting Anoka hockey season! As we pass the mid-way point of trimester 1, the hallways are beginning to stir with the excitement for our Tornadoes Hockey season. The boys have been working hard in the off-season to prepare for a run at a Section Title and a chance to play for a State Title. Coach Reinholz and his staff are gearing up and preparing the practice plans for the upcoming season! The bleacher captains are planning to draw large student crowds to each game and show our school spirit in supporting our Tornado team. The off season training was good and the boys are ready to get on the ice and begin their quest for a title.

We appreciate your support tonight of our Tornado Hockey team and all of your positive comments. I ask that everyone in attendance cheer in a positive fashion for our team, coaches, and refrain from negative comments toward referees, opposing team and coaches, as well as our team and coaches. Please show your Anoka High School spirit and keep your comments supportive in nature. As an Anoka Family, we want to support each other at all times whether in a win or a loss. Your support of our program is extremely important. Thank you for all you do to rally behind our team, coaches, community and Anoka High School. Good luck to our Tornado Hockey team and coaches this season!

GO TORNADOES!!

The Activities Department would like to welcome you to the 2018-2019 Anoka High School Boys Hockey season! I am thoroughly excited to see Anoka Alum, Coach Reinholz and his coaching staff showcase a program that the school and community can rally around with enthusiasm and pride! While winning is important to our athletic programs, our ultimate goal of our athletic department is to teach discipline, goal setting, accountability, dedication, team-work and integrity; attributes that we want all our young women and men in our community to have.

The hockey tradition at Anoka High School is rich. The memorable Anoka teams were hard-nosed and played with grit and determination. They were self-less and cared more about the team than individual accolades. I know that this team worked hard in the off-season, at various camps and clinics and in the weight room. I am confident their off-season work will equate to a great season and continue our tradition well.

Thank you to the parents for your continued support. You have sacrificed many nights, weekends, and family time to allow your sons to be part of the Anoka Family. We are blessed to have your dedication and commitment to the program for the benefit of the team, the coaches and the program. The years go by fast, so cherish every second of the ride.

As we enjoy the game tonight, please be positive towards the officials, teams, and coaches. They all have the same goal - to be the best that they can be! We wish Coach Reinholz and the Anoka Tornadoes all the best this season! Go Tornadoes!

ANOKA TORNADO HOCKEY CHAMPION'S CREED

If you think you are beaten, you are.
If you think you dare not, you do not.
If you'd like to win, but think you can't,
It is almost a cinch you won't.

If you think you will lose, you are lost.
For out in the world we find,
Success begins with a player's will;
It is all in a state-of-mind.

If you think you're outclassed, you are.
You have got to think high to rise.
You have got to be sure of yourself
Before you can win a prize.

Life's battles don't always go
To the stronger or faster man.
But sooner or later the player who wins
Is the one who thinks he can!

ANOKA HOCKEY HISTORY

According to Craig Torbenson, the author of "Tornado Magic," the first mention of hockey in Anoka was the 1935-1936 season. During the 1930's and 1940's, Anoka High School was enrolled in hockey for some of those years but not in others. Anoka High School Hockey program's first season in the Minnesota State High School League was 1953-1954 and was coached by Charles Bauer. Anoka High School had purchased used uniforms from the St. Paul amateur hockey team. At that time there was no youth programs in Anoka, just the high school team.

Thank you to Coach Alley, who made Anoka Hockey...he truly is the father of Anoka Hockey! In 1954, the Anoka Hennepin ISD 11 superintendent, Morris Bye, hired Jim Alley as a teacher and a hockey coach. When Coach Alley was hired, Anoka had one dimly light outdoor rink, at what is now Sorenson Rink, with poor ice and splintered boards. The prospect were even more challenging when Coach Alley called his first player meeting and realized that few players had decent skates and none had played organized hockey. Needless to say, the team lost heavily, but learned along the way.

Coach Alley pleaded with the school district and the city to construct several outdoor rinks with lights. Outdoor rinks were constructed at Sorenson, Lincoln, Franklin, Champlin and Wilson. He then went to work on developing a youth program that would feed the high school program. He was also responsible for purchasing all equipment for the youth and the high school programs along with raising money to purchase the equipment and some indoor ice at either Aldrich Arena or Wakota Arena. Coach Alley successfully built the Anoka Hockey Program because of his passion and vision for the game.

Coach Alley coached at Anoka High School from 1954 through the 1963 season. In 1964, Joe Poole took over the program and guided the Tornadoes for 12 seasons. Coach Poole recorded 133 wins and 94 losses. After Coach Poole stepped down in 1977, Terry Abram took over for two seasons. Coach Abram recorded 24 wins and 17 losses during his tenure as the Tornadoes coach. Mark Kristo was hired and stayed on for one season, 1979-1980, and was 14 and 7. Jack Peterson was hired to coach the Tornadoes after several successful state championships in the Anoka youth program. Coach Peterson guided the Tornadoes to their first state tournament bid in 1985. The 1985 Tornadoes captured third place in the state tournament. Coach Peterson coached for eight seasons and had a record of 124 wins, 63 losses and 2 ties. Greg Rajanen stepped in after Coach Peterson and guided the Tornadoes to a fifth place finish in the 1990 state tournament. Coach Rajanen was the Tornadoes coach from 1989 until 1993 and posted 71 wins, 51 losses and 2 ties. In 1994, John Birrenkott took over the

program and recorded 88 wins against 39 losses and 5 ties. Coach Birrenkott guided the Tornadoes to back-to-back state tournament appearance in 1997 and 1998. In 1997 the Tornadoes won the consolation championship and in 1998, the Tornadoes lost in the state championship game against Duluth East 3 - 1. In 1999, Todd Manthey took over the Anoka Tornadoes Hockey program. Coach Manthey coached the Tornadoes for 18 seasons and posted a record of 217 wins, 206 losses and 12 ties. In 2003, Coach Manthey's team was crowned the state champion in boys' hockey. It was the first boys' state hockey championship in school history. Coach Manthey led the Tornadoes back to the state tournament in 2016. Coach Jerrid Reinholz will carry on the Tornado tradition.

The Anoka High School hockey program has fielded a boys' hockey team for the past 63 seasons. In that time Anoka has had seven players drafted by the National Hockey League:

Steve Alley	Chicago Blackhawks
Paul Reifenberger	New York Rangers
Tod Hartje	Winnipeg Jets
Steve Magnusson	Calgary Flames
Dan Reimann	New Jersey Devils
Reg Berg	Toronto Maple Leafs
Nate Miller	Los Angeles Kings

The Anoka High School hockey program has also had two hockey players that have played in the Olympic games:

Steve Alley	1976 Olympics
Jeff Hymanson	1976 Olympics

The Anoka High School hockey program has a rich tradition of outstanding hockey players. The rich tradition will continue to grow because of the dedicated individuals within the Anoka Area Hockey Association and the high school level that put forth countless hours to insure the program continues to flourish.

TO AN ATHLETE

There are little eyes upon you,
And they're watching night and day;

There are little ears that quickly

Take in every word you say;

There are little hands all eager

To do anything you do;

and a little boy who's dreaming

Of the day he'll be like you.

You're the little fellow's idol;

You're the wisest of the wise,

In his little mind about you

No suspicions ever arise;

He believes in you devoutly,

Holds that all you say and do,
He will say and do, in your way
When he's a grown-up like you.

There's a wide-eyed little fellow,
Who believes you're always right,

And his ears are always open
And he watches day and night;

You are setting an example

Every day in all you do,

For the little boy who's waiting

To grow up to be like you.

FIVE-STAR AGENT

Jerry helped us sell our first home and was nothing but professional and friendly. Once we signed the paperwork he had a photographer out right away and our home was listed online in days. His expertise was invaluable while navigating multiple offers and he was very responsive whenever we had questions about the process or were looking for advice.

Jerry's knowledge helped us hone in on the exact house we wanted as well as the location. One thing that we really appreciated about Jerry was his availability -- I can't tell you how many questions we had as first time home owners and he was able to answer them all - at any hour.
