

## Sponsorship Opportunities 2021-2022

### Who Are We?

Fox Valley Wrestling Club is a not-for-profit organization that is affiliated with the Illinois Kids Wrestling Federation (IKWF) and USA Wrestling. FVWC has served youth in the Naperville, Oswego, Plainfield, Bolingbrook and Aurora areas for over 20 years, and we are committed to using the sport of wrestling to build *"Champions in life...and on the mat."* With over 20 volunteer coaches, we are a community-based organization that tirelessly promotes the sport of wrestling, and prides itself on being more than "just another club."

### Join #TheFVWCFamily

The global pandemic has impacted everyone, but it hit the wrestling community especially hard. During the 2020-2021 season, nearly 80% of youth wrestling clubs in the state of Illinois did not have a facility for practice, and thousands of kids lost the opportunity to be a part of something that could change their lives! Despite the mountain of challenges, FVWC refused to close its doors! We recognize that it takes a village to raise these kids, and FVWC is that village! Our kids are too important, and we simply could not take a year off.

Unfortunately, keeping our doors open last season came at a cost. The financial burden of renting an alternate facility proved to be more challenging than expected. What's more, our biggest fundraiser, the annual Mick Ruettiger Invitational, was canceled due to COVID restrictions. We rely heavily on those funds, and despite our best efforts, the pandemic had a financial ripple effect on the club.

### Why Support FVWC?

FVWC is our opportunity to be a part of something bigger than ourselves! As many coaches can attest to, wrestling has afforded us life-altering experiences that have impacted the entire trajectory of our lives. There's no reason FVWC can't do the same for thousands of kids for many years to come! But we need your help! All donations are applied toward facility usage, uniforms, training fees, special team events, end of season banquet, and organizational costs. FVWC is more than "just another club," it is the village we rely on to raise our kids. With your help, we will continue to promote the great sport of wrestling, and use it as a platform to build *"Champions in life...and on the mat."*
