

PERRY PUMAS FOOTBALL

PRIDE ♦ PROGRESS ♦ PURPOSE

Perry Football Families,

Thank you for your patience during these unprecedented times. I hope this finds all of you safe and healthy.

The purpose of this letter is to give you as much of an update as I can as of Friday, July 10th. As I have mentioned before, circumstances are changing daily and as much as I would like to guarantee that this letter contains the details that will be constant, everything is in flux depending on the Governor's decisions regarding the start of school.

Here are the updates that are currently known:

- CUSD online school begins August 5th, for all students. In-person classes begin August 17th.
- The AIA met this past week and decided the football season will begin on August 17th. Our first game will be September 11th. It is still unknown whether we will have an 8, 9 or 10 game season.
- July 13 - July 24th: Perry High School will have no in-person athletic activities. Perry Football will meet virtually by position during this time. All athletes need to be checking their HUDL messages for communication from their position coaches.
- July 27th - August 7th: Summer workouts will resume in-person at Perry High School. Days and times TBA.
- August 10th - August 14th: Football camp at Perry High School (typically in Show Low). Register online at [CUSD Community Education](#).
- Expect an updated "Important Dates" document via email from the Booster Club early next week. This will be posted on all of our Perry Football social media pages.
- Fundraising: Due to the spring fundraiser cancelation, our fall fundraiser is of utmost importance. Please be looking for an email from the Booster Club with the details regarding the Puma Discount Card fundraiser (Gold Cards). It is extremely important our athletes participate and sell at least 20 cards. There will be many incentives and rewards depending on number of cards sold.
- Athletic Clearance: All athletes must go through [Register My Athlete](#) for clearance to play football. You will be able to complete all steps up to the payment due to the district suspending payment until August . Please complete all steps prior to payment.
