

## Spring 2019 Outlaws

The spring season is just around the corner! With our partnership with the Jr Jets, we encourage you all to try out for their teams if you are interested in the AAA spring hockey. More information on this is at [www.jrjetshockey.com](http://www.jrjetshockey.com).

However, not everyone can make those teams.

This is where the Outlaws come in. This year, the cost will be \$250 for early registration (payment AND registration in by March 15th), and then after March 15th it will be \$300. NO REFUNDS will be given for payments made.

Included in this cost, is 8 weeks (April 1st thru May24th) of skill development and cross ice games. All practices will be held at the Oregon Ice Arena. Dates/times of age specific practices will be posted on the Jr Outlaws website by March 1st. ([www.jroutlawshockey.com](http://www.jroutlawshockey.com)). As of right now, it is looking like most practices will be Monday/Thursday.

Outlaws is offered for 2010 up thru 2001 birth years. 2009 and 2010 birth years will just be offered the practices. If you would like to do tournaments, then we will direct you to the Mitey Badgers.

Teams for 2008 thru 2001 will be determined based on number of players per age group. All teams will be co-ed unless we get enough at a certain level to create an all girls team. Younger than 2008 birth years that want to participate in tournaments, are welcome to join the Mitey Badgers, which also practice in Oregon. Information for that spring season is available at [www.miteybadgers.com](http://www.miteybadgers.com). Click on the Spring Hockey tab.

Outlaws will have 2 ice sessions/week during those 8 weeks. All practices will be held at the Oregon Ice Arena. One ice session each week will focus on skill development. The other ice session each week will be cross ice games. 3 v 3 Teams will be created and will play the 8 weeks against each other.

There will be the possibility to add a tournament, depending on interest. The tournament we are looking at is My Hockey Tournament May 17-19. Please mark on the registration if you would be interested in participating. Price is additional and will be determined by the number of players on the team (typically around \$100). We will use the numbers of interested players to determine if we have enough to participate.

After the first week of practice, we will have a parent meeting with more information on the tournament if we have enough interested.
