

Fall Traveling Soccer Frequently Asked Questions

July 2018

What age groups are eligible to play fall traveling soccer?

U10 (born 2009)

U11 (born 2008)

U12 (born 2007)

U13 (born 2006)

U14 (born 2005)

What is new this year?

In the past, we have formed teams for Fall AND the following Spring/Summer league at the same time based on summer evaluations (tryouts). We recognize that signing up for soccer 9 months in advance is hard to resolve with unknown family schedules. Forming teams for two seasons at once was hard on our organization too, requiring a lot of work in a very short period of time. We are trying to relieve some of this pressure by opening Fall registration early. Likewise we will not open registration for next Spring/Summer until later to give us all more time to plan.

How do I register?

There are 2 registrations for you to be aware of:

1. **Fall 2018 Registration:** We need you to register for fall 2018 soccer soon so that we can avoid a time crunch for parents and the NSA. Registration will be open July 15 through August 8. The Minnesota Youth Soccer Association (MYSA) requires fall league teams to be registered by August 13th in order to play this fall.
2. **Spring / Summer 2019 Registration:** This registration will open later in the fall. Teams must be submitted to the MYSA by the first week of march

Our registration dates are based on deadlines the soccer association is accountable for with the MYSA. Your prompt attention to register will give us the time we need to review registrations and form teams before these deadlines.

When will registration be open?

Northfield Soccer Association (NSA) Fall 2018 Traveling Soccer Registration will open for the age groups listed above on July 15th. Please register no later than August 8th

If I register for Fall Traveling soccer, does that mean I can play?

Yes! Spots on a team will be "first come, first serve" basis for Fall traveling teams. We do not have tryouts for Fall teams. Playing level will be determined by our coaches based on their knowledge of the players on the teams.

What if there are not enough players in my age group to form a team?

The NSA will do our best to form teams with the players who have registered. If we cannot form a team because we do not have enough players for a given age group, we will refund your registration fee in its entirety.

Do I need a uniform if I already have one?

Yes. We are switching to a new uniform because our old uniform is no longer being manufactured. All Fall players will need to order new uniforms online via Soccer.com in order to have them when league play begins on September 8th. We will send you a link to purchase a uniform once you register. Shipping takes about a week but it is important to order the uniform as soon as possible. **Our kit cost is \$81.86 plus shipping.**
