Treasurer's Report: Troy

A check was written for the storage unit. GameSheets bill finally came and Troy is sending the check for that. The cost was \$600 for 75 games scored.

1. Pre-Season Practice Coaching Credential Requirements

Coaches/Volunteers must be registered through our association, have on-ice USA Hockey Number and SafeSport complete. CEP will be required for full coaches to be on the bench during games like in the past, but not to help with pre-season practices.

2. New Policy/Guidelines

Mike went over the changes that were made this season to the Policy and Guidelines and ready what he has updated in the document. He will post these to the website.

3. Tournaments

a) Tournament Rules/Flyers Approval

Scott had emailed these to the board. They looked good, but Scott will add a Max Goal Differential of 7 into the rules.

4. Sponsorship Program

Troy is reminding us that the more sponsorship money we get the more we can do for the kids. We discussed adding the option of a \$250 sponsorship. Mike will edit the document and we will get it sent out this week.

5. LTAC Money

Troy will be submitting the receipts for LTAC reimbursement. He estimates it will be about \$16,000.00.

6. Player Registration Costs

- a) We need to make sure the transportation/lodging policy is included in Registration this year. Courtney will make sure this happens. We agreed to keeping the registration costs the same for this year. We are hoping to pay for three tournaments per team but we need to see how much sponsorship money comes in and if we get approved for an LTAC grant this October.

7. Coaching Update

- a) Brandon Guernsey will Coach 12u
- b) Do we have an update on Carlos for 6u? Mike will work on contacting him again.

8. 18u practice time

USA Hockey recommends 14u and 18u hold practice 3 times a week. Ryan is interested in extending 18u practice by 30 minutes on their two practices a week. We are supportive of this.

Adjourn: 6:35pm

Next Meeting: August 19th 5:30pm
