

# Lexi Langendorf – 2019

**Name:** Lexi Langendorf

**About Me:** I am 18 and a Senior at Waunakee High School. When I'm not going to school or playing volleyball, I love spending time with my family and friends. Whether we are binge-watching a Netflix series and talking or out walking State Street and hanging at the Terrace, we always manage to have a great time.

**Playing Experience:** In my first year of tryouts (7<sup>th</sup> grade) at Waunakee Middle School, I made the "B" team and that definitely spiked my competitive nature. I knew that I wanted to be the best player I could be, and I wanted to be a valuable contributor to the Waunakee Varsity team. I worked hard to strengthen my body and my skills during subsequent school and club seasons. I was queued up to be a Middle on the High School team, but felt that I could be a stronger team contributor as a Pin Hitter. I played Right Side and Outside during my Sophomore year club season and knew that Right Side was where I wanted to play. I loved the challenge of reading and blocking the strongest Outside Hitters. I went on to start Right Side for Waunakee Varsity and my club volleyball teams in my Junior and Senior years.

**Most Memorable Moment on the Court:** Waunakee Varsity made it to State in my Junior year. Although we didn't progress very far, walking out into the huge arena and playing in front of the huge crowd was an amazing and unforgettable experience.

**Why Did You Choose This College:** I have chosen Judson University, a NAIA college in Judson, Illinois, for my continued academic and athletic pursuits. I visited a number of colleges to spend time with volleyball coaches, teams and professors. Although I liked many of them, there was something special about my new coach and teammates at JU. I am excited to step into this next phase of my life as a JU Eagle!
