

Chaska Community Center and Victoria Ice Arena COVID Guidelines

Update: 3/29/2021

Per Minnesota Department of Health; rental groups will be limited to two pods of 25 people on the ice at a time if using shared ice. If group is using full ice, no more than 25 people on the ice.

Masks are to be worn by all individuals at all times regardless the level of physical exertion per executive order 20-103.

Water bottle filling stations will be available for use. Water fountain spouts will not be available for use.

There will be no lost and found items kept. All lost and found items will be discarded at the end of an evening.

Participants will enter through the Arena Doors and exit through the properly labeled exit doors of the arena.

At this time, one adult per player is allowed for practice sessions. Sibling(s) are allowed only if absolutely necessary but must stay at parent's side. Parent and siblings of participants age 10 and older are highly encouraged not to attend practice sessions.

Skaters are to enter facility fully dressed. Lockers rooms are not available at this time. Limited seating is available for putting on skates or skate tying and used on a first come first serve basis by users. Goalies are highly recommended to come dressed in skates and breezers on. Goalies can put on leg pads and chest protector on inside facility.

Equipment bags are not allowed for youth hockey association events with exception for goalies, per Minnesota Hockey guidelines. One small drawstring bag or school size backpack is allowed. All bags brought into facility are to be brought to player boxes, not stored in skate tying area or arena lobbies, or Rink 2 bleachers while on the ice. CCC/VRC is not responsible for lost or stolen items brought into the facility.

Arena lobbies are not to be used for dressing and bag storage to allow for adequate social distancing and clear pathways.

Goalies and officials are allowed to enter arena 15 minutes prior to start of ice time. All other skaters, coaches, or game operations personnel are to remain out of facility until 10 minutes prior to start of ice time.

Skaters, adults, and groups are asked to leave the facility within 10 minutes of their ice time ending.

To allow for proper cleaning and disinfection of common touchpoints between ice rental groups, the group that comes off the ice must be completely out of common areas (on benches, score table area, etc) prior to the next group being allowed onto the ice. The next group on the ice should not enter these areas until allowed to do so.

Dryland training, warm up, stickhandling, shooting, skating harness use will not be allowed in common areas of arenas.

Rental groups willfully disregarding these guidelines or be disrespectful to CCC/VRC staff during their visit may result in cancellation of ice rentals without refund.

CCC/VRC has the right to ask spectators and players to exit facility should they arrive earlier than allowed or capacity limits be exceeded at any time.

CCC/VRC will not issue refunds for cancelled ice times due to limited skaters due to spread of COVID-19 or precautions being taken stated in these guidelines.

OTHER RESTRICTIONS MAY BE PUT IN PLACE TO FURTHER PREVENT THE SPREAD OF COVID
