2. Topics for Discussion:

- a. Bantam – Three Bantam age players had been recruited by the coach to play on the Bantam Rep. team, but none of the players were registered with TPMHA. The transfer paperwork wasn't complete at the time of tryouts. The coach was issued a letter stating that these individuals were not members of TPMHA and therefore were not permitted to practice or play with the Bantam team. The transfers of these three players from OCNMH to TPMHA have been completed as of today, November 2, 2016. The three players need to now register with our association and pay their registration fees in full in order to play or practice with the Bantam Rep. team as payment dates have come and gone. It is the policy of TPMHA that unpaid players not be allowed on the ice effective November 1st.

Motion put forth that the three Bantam players transferred from OCNMH to TPMHA be registered with TPMHA and paid in full before they are allowed to play or participate with TPMHA Bantam team.
