

# MIDDLETOWN

## SPORTS COMPLEX

### MIDDLETOWN SKATING ACADEMY

#### COVID19 RESPONSE PROGRAM POLICIES SAFETY POLICIES & PROCEDURES

##### Arrival

- Everyone will enter through one door at the rink entrance ONLY
- Temperature screening will be done prior to entry
- Anyone with a fever over 100°F will be asked to leave the building.
- Masks are required in the building and on the ice. There will be no exceptions. Skaters will not be permitted on the ice at any time without a mask.
- Only 1 parent will be permitted inside of the building with the program participant
- Participants should enter the building ready to take the ice needing only to put on ice skates.
- Participants are asked to exit the building within 15 minutes of the designated end time.
- All contact information must be provided prior to participating will be permitted. For the safety a full record of all skaters will be maintained to allow expedited contact tracing or emergency closures. In addition to your name we require address, phone or cell number, and email address.

##### On-ice

- Skaters will enter through their designated door only. Diagrams will be available to include rink entry, designated rink doors and viewing area, and rink departure
- Instruction will be conducted with social distancing and in accordance with the NJDOH and Learn to Skate USA policies. Coaches will demonstrate at a distance only making contact if a student is injured or unable. Sam 1 and Basic 1 will utilize walkers in place of hands on learning.
- We will only accept 25% of ice capacity limiting the number of students per level

➤ Helmets & gloves are recommended. They will no longer be loaned or rented at the rink

➤ Only the registered participant will be allowed on the ice, practice ice included. No exceptions

➤ Rink surfaces and all equipment utilized by LTS will be sanitized prior to and after use each class
