

2020  
St. Charles North High School  
Summer Athletic Camp  
Information

**BOYS' BASEBALL:**

The SCN baseball coaching staff will be offering four quality camps, for all ages, during the summer. The breakdown of these camps is as follows:

- **Camp (BB1)** will be open to all SCN baseball players who played in the program during the spring. This 3 week Team camp will offer opportunities for players to learn, develop and enhance their baseball skill set. There will also be position specific instruction, video analysis and live game opportunities evaluated by the entire SCN baseball coaching staff.
- **Camp (BB2)** will be a pitching and catching camp. This camp is designed to teach the proper fundamentals of both positions, enhance mechanics, and highlight the importance of arm care. Elements of velocity improvement will be introduced and developed as well.
- **Camp (BB3/BB4)** will be a position specific camp focused on improving defensive skills, throwing fundamentals and agility training for both the infield and outfield positions.
- **Camp (BB5/BB6)** will be a hitting fundamental camp designed to teach, drill and improve hitting mechanics, visual coordination, and baserunning techniques.
- Each camper should bring all their own: position specific gear, both tennis/turf shoes, baseball cleats and their own water bottle.
- All camps will occur on the varsity baseball field.
- If weather becomes an issue, camps will be moved to either the turf football field or into the SCN indoor facilities.
- An email will be sent asap to inform parents of any changes or adjustments to the camp. We will do everything possible NOT to cancel the camp on that specific day.
- For more camp information or questions, please email Head Coach [Todd.Genke@d303.org](mailto:Todd.Genke@d303.org)

CAMP NAME	CAMP #	GRADE	DATES	DAYS	TIME	COST
