Minutes

- Agendas and meeting minutes from October 22, 2023 were distributed and reviewed. A motion was made by Younggren, second by Wamsley, to approve the minutes as presented. Motion passed, 8-0.

Financials

- No major updates at the time. Our cash balance is as high as it will be during the year.

2023-24 Calendar

- Picture day/Food drive will be January 20th at NKE. Kattre will help coordinate but will need one more board member to assist.

OYBL

- All 3rd/4th grade and 5th/6th grade practices have started, and the balls are set in the cages.
- The number of teams are the same as past year, besides two fewer teams in 3rd/4th grade boys. This may be due to not sending home paper flyers through the school district this year. There was a discussion regarding possible ways to communicate with 1st grade families to ensure new families are aware of the program.
- Seibert and Wamsley are set for high school players to attend the first sessions of 1st/2nd grade on 12/2.
- Younggren has communicated with high school players to ref the OYBL programs and plans to stop by practices to coordinate. Steve Garvoille has offered to run a short ref clinic to start the year.

Travel

- Travel team BDL sessions have started and seem to be off to a good start.
- The Girls 7th grade Black team has been dissolved, due to lack of interest. This decision was made after multiple meetings with the parents/girls. The four girls that do still have interest in playing were offered to practice with the Orange team, two of them chose to do so. The Orange team will play in extra tournaments with hopes it will give the extra girls some chances to get some game opportunities. The registration fees for all nine of the 7th grade girls' Black team will be refunded.

High School Basketball updates

- Girls youth night: December 15, 2023
- Boys youth night: February 16, 2024

School District Update

- Heitz provided a brief update. There were a couple coach card issues, but they have been resolved.
- December 25th, 26th, 29th, and January 1st are all school district holidays, therefore, no practices are allowed.
