

Elkhorn Elite Girls 3rd thru 8th Grade Summer Basketball Program

Program Information:

The Elkhorn Elite summer basketball program is designed to allow for any current female between the grades of 3rd thru 8th in the 2019-2020 school year, to enhance their basketball skills in a controlled summer basketball learning environment. The goal of the program is to develop greater skills within each player by allowing them the opportunity to get top-notch instruction and the opportunity to work on the fundamentals of the game in an academy style setting. The program will specifically focus on fundamental development with consistency and repetition being the priority. We will accept the first 20 girls at each grade level or first 80 players to register, whichever comes sooner, so please register early to secure your spot.

Session Information:

Each session will be from 75 minutes to 90 minutes in length. The program will offer 8 high-quality focused sessions during the summer. There will not be sessions on holidays or holiday weekends. Sessions will begin in early June and continue through late June. All skills sessions will be held locally in the Elkhorn area at Elkhorn Valley View Middle School.
