

## OVERVIEW

Welcome to the Dugout Club, an official fund raising and support group for the softball and baseball programs of Chanhassen High School, the Chanhassen Redbirds, and the Youth Programs in our member communities. The Club was formed in the Spring of 2011 and in its premier season is generating funds to help pay for necessary equipment and facility improvements.

The Dugout Club needs your help as it is dedicating itself to support the growth and development of the baseball and softball programs from Tee Ball to Town Ball. Our vision is to make the entire baseball/softball program better for the future and with your help we can make it happen. Acquiring equipment and enhancing facilities will provide necessary tools for participants in the softball and baseball programs.

Together, we can do more and make our combined vision a reality. We want to promote baseball and softball programs within our member communities of which everyone can be proud – to be enjoyed by all for years to come.

## MEMBERSHIP INFORMATION

**What is the Dugout Club?**

The official support group for baseball and softball programs from Tee Ball to Town Ball in our member communities.

**Who are the member communities?**

Member communities include Carver, Chanhassen, East Union and Victoria---the communities whose student athletes attend or will attend Chanhassen High School.

**What is the Purpose of the Dugout Club Organization?**

To provide an opportunity for people to get involved in the local baseball and softball programs. To support the goals of those programs while serving as an official fund raising arm. To promote a greater interest and stronger fan base and support for the local baseball and softball programs.

**Who should join?**

Anyone interested in the baseball and softball programs in our member communities. Current members include parents, friends and fans of Storm/Redbird softball and baseball.

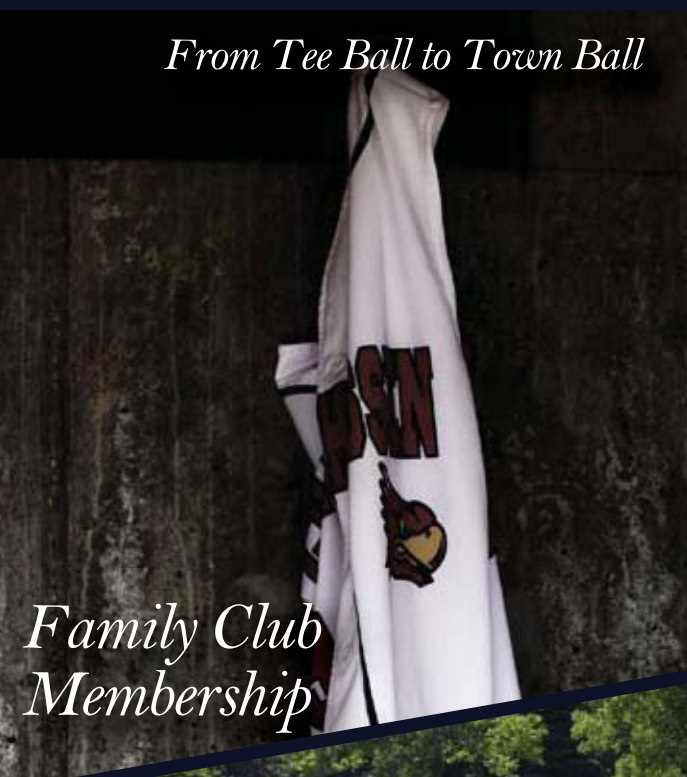

**How can you help?**

Funding a "first class" baseball and softball program can be very costly and it cannot be done solely with school district and/or community funding. The costs of operating a first rate program continue to rise each year. To build a brighter future, develop a community tradition of excellence, and support successful student athletes your assistance is much needed.
