### **Old Business:**

### **New Business:**

- Rainout Games – possible make-up dates discussion
    - We did not budget a date for rainouts this year as we didn't get enough allocated dates to do it. The week that was rained out was QUADZ bar of the week. The county offered us 12/14 as a rainout date. Personal feeling is that we should play the games, but it's ultimately up to the coaches. Other options would be to scratch the results of those games where we would then end up with an un-balanced schedule, and standings would be un-even. Another possibility would be that we do a coin toss to determine the winners of those games that weren't played. Nate Proposed that we will do the closing party on the 7<sup>th</sup> of December at QUADZ and the draft tournament at Sunset Park on the 14<sup>th</sup>. This proposal passed with 13 votes. 15 votes received for ignoring the games that weren't played due to the rainout.
  - Scorebook Committee Chair Discussion – Sam Park
    - Years ago, we had a scorebook committee in this league that slowly dissipated. We've always had a place for it and it's more valuable now with iPride Softball becoming focused on statistical evidence on everything. The thought is that the scorebook committee and the ratings committee could work hand in hand to ensure accuracy throughout the season. Sam Park has volunteered to be the chairperson of this committee. Nadja Nelson (Teddy) has also expressed interest in this committee. After open discussion – it was voted that Sam would be the chair of the committee with 9 votes, Nadja received 7 votes. Majority winner is Sam Park.
