

Waiver and Consent for players under 18 years of age

I _____ am the parent/guardian of _____ (“Participant”), the child who is the subject of this Waiver and Consent. I completed a medical release and liability waiver (the “Registration Waiver”) as part of the on-line registration process of Participant for the 2020 baseball season sponsored by St. Louis Park Little League. I acknowledge and agree that the Registration Waiver remains in full force and effect. Moreover, in light of the fact COVID-19 has been deemed a public health emergency in the United States and has been declared a global pandemic by the World Health Organization, as a further condition of Participant being allowed to participate in the 2020 baseball season, I agree, on behalf of Participant and myself:

1. That the risk of potentially contracting illness (including, but not limited to, COVID-19 related illness) attributable to participation in the 2020 baseball season is being knowingly and voluntarily assumed;
2. That Participant and I will indemnify and hold the St. Louis Park Little League harmless from any liability or losses arising out of illness (including, but not limited to, COVID-19 related illness) attributable to participation in the 2020 baseball season with the agreement that this indemnification/hold harmless commitment extends to all alleged acts or omissions by coaches, organizers, sponsors, volunteers, board members, supervisors, participants, transportation providers, umpires and any other persons involved in any way with the 2020 baseball season; and
3. That in the event St. Louis Park Little League determines in its discretion that Participant is demonstrating symptoms of COVID-19 and/or has been directly exposed to someone diagnosed with COVID-19, Participant may not return to team activities until the passage of a minimum of 14 days and a written doctor’s opinion from Participant’s treating health care provider has been furnished to St. Louis Park Little League certifying that Participant has been cleared to safely return.
