

**Upgrading** - occurs at end of each 6-week session except in rare instances where, on race committee approval, a rider upgrades to a higher category. In so doing, the rider will maintain her points in the exiting category but will not carry points forward to the new category.

**Ties** - broken by the following: Number of firsts, number of seconds, and so on.

**\*** denotes upgrade

**Top 3** from each team are included in team trophy tally.
