

Plano East Hockey's Locker Room Policy

In addition to the development of our hockey players and enjoyment of the sport of hockey, the safety and protection of our participants is central to Plano East Hockey goals. Plano East Hockey adheres to USA Hockey's SafeSport Program to help protect its participants from physical abuse, sexual abuse and other types of misconduct; including emotional abuse, bullying, threats, harassment and hazing. To help prevent abuse or misconduct from occurring in our locker rooms, Plano East Hockey has adopted the following locker room policy. This policy is designed to maintain personal privacy as well as to reduce the risk of misconduct in locker rooms.

Locker Room Monitoring

Plano East Hockey has predictable and limited use of locker rooms and changing areas, generally 30-60 minutes before and following practices and games. Plano East has designated several board members to serve as Locker Room Monitors. This allows for direct and regular monitoring of locker room areas. While constant monitoring inside of locker rooms and changing areas might be the most effective way to prevent problems, we understand that this would likely make some players uncomfortable and may even place our monitors at risk for unwarranted suspicion.

Locker Room monitors conduct a sweep of the locker rooms and changing areas before players arrive, and if the coaches are not inside the locker rooms, either a coach or voluntary locker room monitors (each of which has been screened) will be posted directly outside of the locker rooms and changing areas during periods of use, so that only participants (coaches and players), approved team personnel and family members are permitted in the locker room.

Parents in Locker Rooms

We discourage parents from entering locker rooms unless it is truly necessary. If a player is or may be injured, or a player's disability warrants assistance, then we ask that parents let the coach know beforehand that he or she will be helping the player.

Mixed Gender Teams

Some of our teams consist of both male and female players. It is important that the privacy rights of all our players are given consideration and appropriate arrangements made. Where possible, Plano East Hockey will have the male and female players dress/undress in separate locker rooms

and then convene in a single locker room before the game for team meeting. Once the game or practice is finished, the players may come to one locker room for a team meeting and then the male and female players proceed to their separate locker rooms to undress and shower, if available. If separate locker rooms are not available, then the players will take turns using the locker room to change. We understand that these arrangements may require that players arrive earlier or leave later to dress, but believe that this is the most reasonable way to accommodate and respect all our players.

Cell Phones and Other Mobile Recording Devices

Cell phones and other mobile devices with recording capabilities, including voice recording, still cameras and video cameras, are not permitted to be used in the locker rooms. If phones or other mobile devices must be used, they should be taken outside of the locker room.

Prohibited Conduct and Reporting

Plano East Hockey prohibits all types of physical abuse, sexual abuse, emotional abuse, bullying, threats, harassment and hazing, all as described in the USA Hockey SafeSport Handbook. Players, Participants, Board Members or Volunteers for Plano East Hockey may be subject to disciplinary action for violation of these locker room policies or for engaging in any misconduct or abuse or that violates the USA Hockey SafeSport Policies. Reports of any actual or suspected violations, you may email USA Hockey at SafeSport@usahockey.org or may call 1-800-888-4656.
