Competitive Refund Policies:

DSC fees are built entirely on its budget of costs. DSC collects enough money to pay its expenses (insurance, league fees, coaches etc.) and a small reserve. We charge the lowest possible fee to make soccer affordable for ALL. Therefore, when a player joins DSC a joint commitment between the player and the Club has taken place. The Club commits to taking on a player and developing that player. The player commits to playing for DSC and training and playing only with DSC and no other clubs. Our coaches and staff give up a great deal of their family time to serve you, as a player please respect YOUR commitment to DSC. A player leaving negatively effects a team roster and issuing a refund could negatively affect DSC finances.

Because of these and other issues, DSC employs a no refund policy. The tournament fees are also nonrefundable.
