

2021 Winter 7 on 7 Football League

Players - As the game of football continues to evolve, if you are or want to be a skilled position player (QB, WR, RB, DB, LB) 7 on 7 is a MUST during the off-season. Most of today's best collegiate players participated in 7 on 7 to sharpen their skills.

Coaches - Continue to let your players work together as a club team during the winter session. In order to be successful in football, you must be able to execute the passing game AND defend the pass in cold weather. Can your players run, catch and throw, during playoffs when temperatures drop? Come join our "Saturday Night Lights" Winter League, and let's get an early start on the 2021 football season.

4 Divisions:

10u – Current 3rd - 4th graders (advanced 2nd graders may also play in this division)

12u – Current 5th - 6th graders (advanced 4th graders may also play in this division)

14u – Current 7th - 8th graders (advanced 6th graders may also play in this division)

High School – Current 9th - 11th graders only (no seniors allowed)

Team Formation: (Maximum of 16 players for 10u - 14u and 25 players for high school teams)

Coaches are encouraged to bring their own teams to continue working with the same team members they coached in the Fall.

Individual registration is allowed (3rd -8th graders) and we place players on teams with kids who attend the same school, whenever possible.

- There's always a need for coaches, so please sign up to help grow the game.
