- Tournament Recap - Gym A bad clock, we will budget for a new scoreboard. Referee coordinator emailed there was no feedback
- Free Throw-A-Thon Recap - Positive feedback from families for a first time event. We need to organize more in the future - possibilities: assign grade levels to gyms, timing adjustments for the evening, three point contest for older kids and a different shooting contest for younger grades.
- 1st and 2nd Grade Girls Recap - Things went smoothly, low numbers although more than last year! Skills focus was a good improvement.
- 1st and 2nd Grade Boys Year End - February 28th hoping for the high school for their skills night and leftover concessions.
- 3rd Grade Boys and Girls Skills Day - 2/12 6-7 2/19 6-7
- Reviews - Add a question for Free-Throw-A-Thon feedback
- Spring Ball - We will add spring ball/AAU/camp options to our website. Discussed a need for 2nd grade kids moving up to 3rd to have a better transition - something we may focus on for Thunder Academy this summer.
- Positions - Recruit!
