This week is National Volunteer Week! SYC appreciates YOU!

In this unprecedented year, our wonderful volunteers made it possible to offer new and modified sports, in addition to our regular outdoor sports programs. With the help of over 450 volunteers, we registered kids for:

- Free ZOOM Basketball Skills Clinics
- High School Cross Country
- High School Field Hockey
- Fall and Winter Kickball
- Outdoor Cheer
- Outdoor Fitness and Play Sessions
- Outdoor Volleyball
- Summer Outdoor Basketball Clinics
- Travel Soccer Virtual Training
- Winter Backyard Flag Football
- Winter Rec Soccer Pick up League
- Regular outdoor sports programs

- all while implementing and monitoring new health and safety protocols and precautions. Thank you for helping our youth athletes cope a little easier during a very difficult year. We are grateful to YOU!

Let's all make a point of thanking a volunteer this week in honor of National Volunteer Appreciation Week!

### EARTH DAY - APRIL 22, 2021

#### What's your Chesapeake Bay footprint?

One reason they aren't healthy is widespread nitrogen, phosphorus, and sediment pollution. These pollutants block sunlight and cause algal blooms that suck up oxygen, killing off other plants and animals in what's called the "dead zone." But how...

#### Earth Day Everyday! Here Are 5 Ways We Can All Help the...

It's spring and there's light at the end of the long pandemic tunnel. And while the enforced isolation has been hard on us, it's been a boon to the planet: Air pollution has decreased, water quality has improved and noise pollution has dropped,...
