

Villages Baseball Association has supported many families in the St. Johns County community for over 26 years and without your continued sponsorship support, VBA would not be successful. We appreciate the past support we have received from the St. Johns County business community and hope we can earn your support for this season. This spring, we have over 500 ballplayers taking the fields! It is our hope to have your businesses support the kids for this Spring/Fall 2025/2026 season.

This season's program promises again to be filled with action packed games and family-fun entertainment and we want to extend your business the opportunity to get involved. This year we are offering three unique sponsorship packages for you to partner with Villages Baseball Association. Our hope is that one of these packages is well suited to help promote your business.

#### **Sponsorship Levels:**
