

CURLING

1. RULES:

The current Curling Canada rulebook will apply with the following SHSAA amendments and rulings:

- a) The school representative team to all SHSAA curling events must begin each competition (first contest of the tournament) with four players in physical attendance.
- b) **SHSAA SUBSTITUTION RULES** - Substitution may take place prior to any game of a competition. Rotation of players may be altered prior to any game, but not after the first rock is put into play.
- c) **SUBSTITUTION** - A player may be substituted at any time during any game. The player substituted for may not re-enter the same game once the registered substitute has entered. The player entering the game must play the position and be of the same gender as the player who leaves the game (or lower). The substitution occurs between ends unless motivated by a physical injury.
- d) In **MIXED CURLING**, the sexes must play alternate positions, i.e. Lead and third, or second and skip. If a girl is skipping, the other girl must play second and the boys lead and third. If a boy were designated as skip, the positions would be reversed. The player delivering last stone and the player holding the broom in the house must be of opposite gender.
- e) In Mixed Curling, the provincial host community will establish a POOL OF SUBSTITUTES in the event that any team requires a substitute.
- f) In **BOYS** and **GIRLS** competitions, the rinks may be made up of a maximum of five competitors.
- g) In **MIXED** competition, the rinks may be made up of a maximum of three girls and three boys, but they may not play during any game with fewer than two boys and two girls.
- h) A high school student is eligible to compete for only **ONE** of the curling teams representing the school in any interscholastic play leading to the SHSAA provincial competition (if a player is listed as a substitute and does not participate in a game that is part of the playoffs leading to the provincial championship, then that player would be eligible to participate on another school curling team).
- i) **TIME OUT** - Each team is allowed to call two time outs, of 90 seconds duration each. The request for time out, called by the athletes, may be made at any time that the team is in control of the house or during an interval of play. The time-out shall begin when the coach of the team that called the time-out reaches the house in play. A mandatory five-minute break will be held at the conclusion of the fourth end.
- j) **EXTRA END TIME OUT** - Each team will be allowed one time out in the extra end of 90 seconds duration. Any unused time outs from regulation may not be carried over. There will be an automatic two-minute time out prior to the first extra end. This time out is not charged to either team.
- k) **UNIFORMS** - In the interest of having school curling teams identifiable as school representative teams, schools participating in the provincial championship must have the team dressed uniformly and in school colors. Specifically, shirts, jacket / sweater, and pants / skirt must be uniform in color for all four players.
- l) At each regional and provincial competition, each team will be given a maximum of 8 minutes of practice time prior to each game.

- m) LAST ROCK ADVANTAGE: In regional play and provincial pool play will be awarded to the winner of the coin toss; in the provincial semi-final curling games will be awarded to the teams finishing first in their pools; in the provincial final games will be awarded to the team finishing first in their pool. In tie-breaker games and medal games, when both first-place finishers are in the final, then the SBTRS will determine the last rock advantage. Last rock advantage is defined as having the choice of 'hammer'; or the choice of both rock color and practice time. The team not having last rock advantage will have the remaining option.
- n) The use of a curling delivery aid (throwing stick) must be approved by the SHSAA office.

2. REGIONAL TOURNAMENT:

- a) Four regional tournaments (two six-team and two eight-team) concluding in an 'A-B' final of the double knock-out format will be conducted in order to qualify to the provincial eight-team championship.
- b) All games in the competition, including medal round games will be scheduled for eight ends.
- c) Each district will advance two teams to the designated regional tournament
 - 1) Two teams from one school may advance to the provincial final tournament if they place first and second in the district and regional playoff.

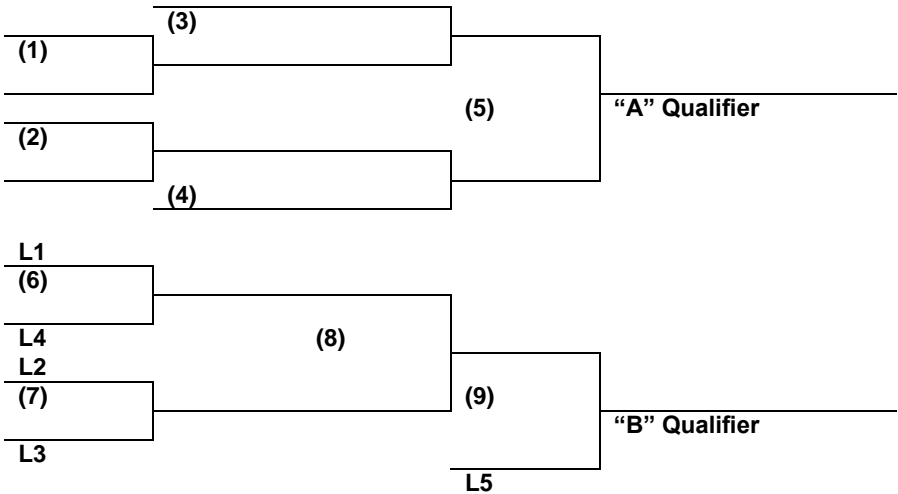

d) Make-up of the Regional Tournaments:

	2019	2020	2021	2022

TIE BREAKING PROCEDURE

The Skill Based Team Ranking System (SBTRS) will be used for all provincial competitions. The SBTRS will include the cumulative distance of all of the Draw Shots to the tee.

If two teams are tied with identical records after pool play then the winner of the round robin game between the tied teams shall be placed higher in the order of finish and no other tie-breaking criteria is required.

If three teams are tied with identical records after pool play then the order of finish will be determined by the SBTRS. The team with the lesser cumulative distance shall be placed higher in the order of finish.

- Three teams tied with records of 1 win - 2 losses
 - The team placed highest in the order of finish among the three teams will receive a bye to tie-breaker #2. The remaining two teams will play in tie-breaker #1 to determine the remaining team that will participate in tie-breaker #2. Tie-breaker #2 will determine the second-place qualifier from the pool.
- Three teams tied with records of 2 wins - 1 loss
 - The team placed higher in the order of finish shall be awarded first place in the pool standings while the remaining two teams will play in tie-breaker #1 to determine the second qualifier from the pool.
