4-30-25 Parent Meeting Agenda

1. Club policies

a. Mission Statement

"Apex Volleyball Club is committed to enhancing the level of play for area volleyball players through practice, competition, and instruction. We strive to help athletes reach their personal goals through participation in our program and encourage them to develop life-skills that will serve them in all aspects of their future endeavors. Participants will be ambassadors of the sport of volleyball and their community by representing both with dignity and respect on and off the court. The program will promote the sport in the community in an effort to build competitive equity for all athletes and their respective programs."
