The St. Cloud Figure Skating Club is the most advanced skating club in Central Minnesota. SCFSC was incorporated under the laws of the State of Minnesota in 1973, accepted into membership by the United States Figure Skating Association in 1976. Our main goal is to promote the advancement of figure skating in Central Minnesota. We seek to develop each skater's interest and potential within an environment of support, and with the highest standards of leadership, professionalism and good sportsmanship.

Volunteer of the Year | GENE THEISEN AWARD

Jodie Felling

This year the SCFSC Board of Directors has selected Jodie Felling as the recipient of the 2025 Gene Theisen Award.

Jodie started her volunteer journey when her daughter Grace, who is now a senior, joined skating in early elementary. She is currently on the SCFSC Board of Directors. She sets up the meat raffles and helps organize the Secret Skater posters for the out-of-town competitions. She does an amazing job running the hospitality duties for both competitions in St. Cloud. She is there early and stays late. This year, she was helping out with raffle tickets. Jodie is reliable, consistent, loyal, and selfless. Being a leader and volunteer is no easy task, and she is able to do this

while putting the program and the children first. She exudes the mission of building confidence in skaters and supporting a program near and dear to many hearts. On top of her time commitment and positive attitude, she is friendly and kind. She is a welcoming presence for new families.

Jodie is a special education teacher at Apollo High School. She is married to Mark, and her 3 children are Darren, Ben, and Grace. She loves reading, camping, boating, renovations, viewing HGTV, and watching the MN Wild.

2025

SENIOR

SPOTLIGHT

Grace Felling

I am a senior at Albany High School, and I have been skating since early elementary school. I have passed my Bronze Singles, Silver Skating Skills, and Pre-Bronze Solo Pattern dances. I am currently working on my Pre-Silver Singles, Pre-Gold Skating Skills and Bronze Solo Pattern dances. I was awarded Silver Level Distinction by the USFSA for the Graduating Senior Award. I plan to go to college to pursue a career in Interior Design and to continue skating with the goal of passing my Gold Skating Skills and Gold Solo Pattern dances.

My coaches at SCFSC are Eliza Lister, Wendy Nevarez, Alexa Evenson, Leah Vaverek, and Abigail Semanko. They all have helped me with my Skating Skills, Singles, dances, jumps and spins. They have all inspired me to be a better skater and person on and off the ice. I wouldn't be where I am today without all of their endless support in me.

When I'm not at the rink, I enjoy spending time with family and friends, going on trips with my family, going to the lake in the summertime, and going to drive-in movies. I was on my high school swim team for six years and enjoyed my time being on JV and Varsity as well as being a captain my senior year. The highlight of my skating was going to competitions at Duluth, Fargo/Moorhead, St.Cloud, and Brooklyn Park. This past skating season I qualified for Nationals in my emotional performance. I was also a part of our synchro program a few years ago in which we competed in St. Cloud and Fargo/Moorhead. I have also coached in the Learn-to-Skate program for many years.

Thank you to my amazing parents Jodie and Mark for the countless hours you have spent at the rink watching me compete and practice. Darren and Ben, my two older brothers, thank you for all the times you have come to watch me skate including numerous ice shows. I have made so many friendships on and off the ice as well as many memories that I will hold with me for years to come. It has been an amazing journey, and I hope to be back in the future.

SENIOR

SPOTLIGHT

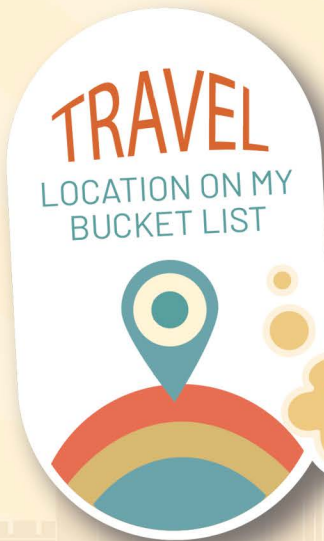

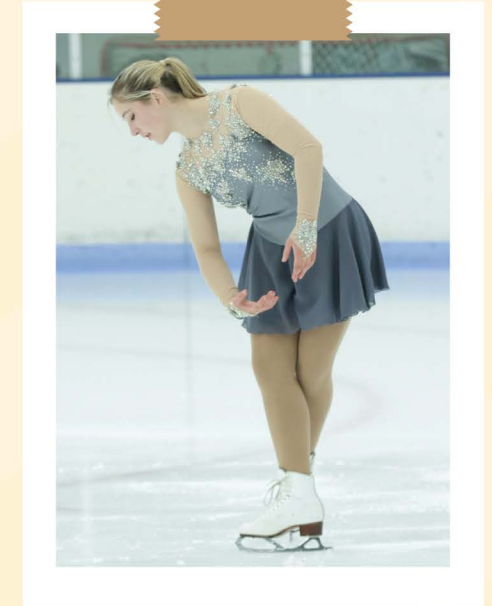

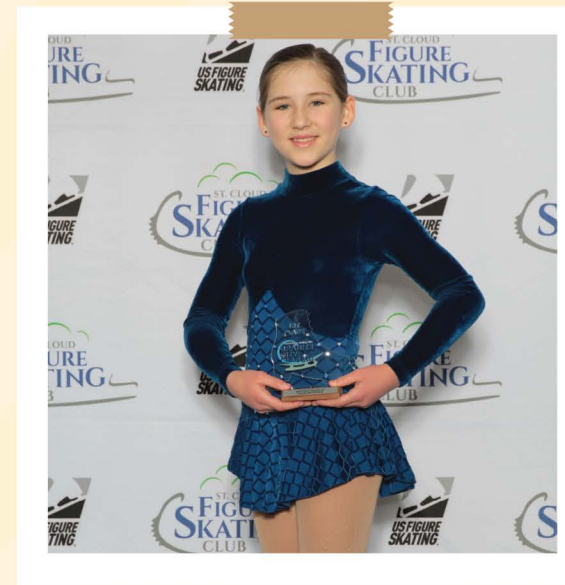

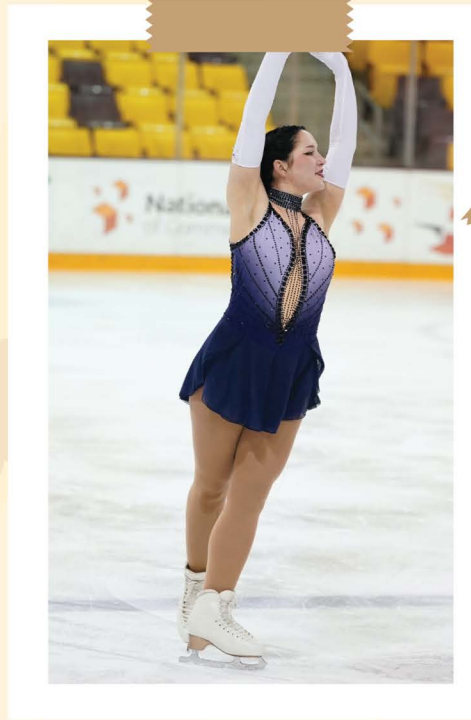

Jadyn Rolling

I'm a senior from Foley, MN. I've been skating with the St. Cloud Figure Skating Club since I was nine years old. Before that I tried other sports including gymnastics and swimming, but as soon as I started skating I knew it was the sport for me. I'm currently working on my Silver Skating Skills and Singles tests. Outside of skating I enjoy drawing and painting, theater, reading, and just being outdoors.

For the past year I've been doing PSEO at Alexandria Technical College in the Communication Design program. After I graduate high school I will have a year remaining of that program.

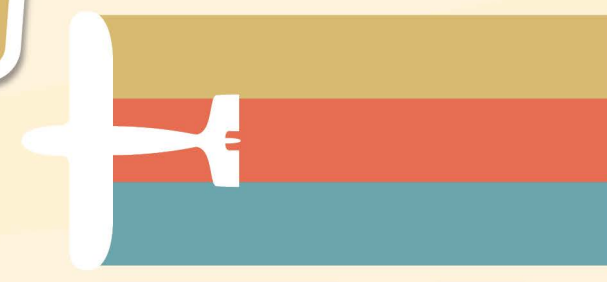

I've had great coaches over the years who have taught me so much and been very encouraging. This year Theresa Fleege, Kris Moran, Wendy Nevarez, and Eliza Lister have all helped make this a fun and successful competition year for me. Thank you!
