

Lancaster Ice Rink

Dear Valued Customers,

In anticipation of Lancaster County moving to the Green Phase of the Governor's re-opening plan on June 26th, the Lancaster Ice Rink plans to begin operations again on June 27th. We look forward to all our valued customers returning to the rink and sports they love. We are committed to providing everyone with as safe an environment as possible while using our facility. In order to accomplish this, we request that everyone read and adhere to all safety protocols outlined in this document and posted within the rink.

General Protocols

- Staff will wear masks and gloves while in public areas and self-monitor their temperature.
- The rink has been thoroughly disinfected by a professional cleaning company. Staff will frequently clean/disinfect common/high-traffic areas as well as high-touch objects.
- Locker room washrooms and showers are **CLOSED**. Restrooms located in the snack bar are **OPEN**.
- The snack bar area is closed except for use of public restrooms.
- All candy vending machines are off-limits. Beverage vending machines at the building entrance may be used **BUT**, it is strongly recommended that hand-sanitizer be used after using these machines.
- The bottle fill station in the snack bar may be used to fill water bottles. Drinking from the water fountain is prohibited.
- All people will have their temperature checked before entering the rink (including parents/companions accompanying younger users). Anyone with a temperature exceeding 100.4°F will not be admitted. Do **NOT** come to the rink if you feel sick – please err on the side of caution in this regard!

Customer Protocols

- Arrive at the rink no earlier than 20 minutes prior to the start of your session. Arrive dressed as much as possible to minimize locker room time. Vacate the rink within 15 minutes of leaving the ice.
- One parent may accompany a child 12 years old or younger into the rink to help them dress if required. Parents may **NOT** remain in the rink to watch. They may return at the end of a session to help undress.
- Everyone **MUST** wear masks at all times inside the facility **EXCEPT** for hockey players, figure skaters and coaches while on the ice. Public skaters must continue wearing a mask while on the ice.
- Everyone is strongly encouraged to use hand sanitizer upon entering/leaving the rink or after contacting a high-touch area.
- Athletes must bring their own filled and labeled water bottle.
- The maximum capacity of locker rooms must **NOT** be exceeded. Players must sit in designated seats and continue to wear a mask until they put on their helmet to go on the ice. There is **NO** person to person contact allowed in the locker rooms. Figure skaters must wear a mask until they enter the ice.
- Overflow dressing areas outside of locker rooms will be clearly marked. Locker room policies are in effect in these areas.
- There is absolutely **NO** spitting anywhere in the facility. Use elbow to cover sneezes or coughs. Tissues must be placed **IN** trash cans.
- Follow social distancing and other CDC COVID-19 guidelines to the fullest extent possible at all times inside the facility.

Updates will be communicated via email, website and fb. Questions/concerns should be addressed to Spencer Fiel – LIR GM by email at lirgm@comcast.net.

By direction of the Lancaster County Youth Amateur Hockey League Board of Directors.
