

Letter of Intent – Treasurer

My name is Kari Erickson. I was born and raised in Hastings and currently reside in the community with my husband Bob, and our four children. This letter of intent indicates my interest and willingness to continue my role as Treasurer for Hastings Hockey Boosters, Inc (HHB). Having held this position since 2020, I am enthusiastic about the opportunity to contribute my financial expertise and dedication to the success of our hockey association.

My family has been involved with HHB since 2013. As previously mentioned, I have four kids, and they all play or have played hockey. Kyra is a sophomore in college at St. Mary's University in Winona, MN where she manages the women's hockey team. Olyvia is a senior in high school playing at the varsity level, Wyatt is a freshman playing Bantams, and Benytt is a seventh grader playing Peewees.

I am a Partner in the tax department, as well as the COO of Mahoney | CPAs and Advisors, where I have worked for over 20 years and gained invaluable experience in financial management, budgeting, and strategic planning. As a CPA, I can help HHB be successful and I enjoy being able to use my knowledge, share my expertise, and provide accounting advice to support this organization that my family is so heavily involved in.

During my time serving as Treasurer, I have remained focused on maintaining the association's strong financial position. I have consistently completed monthly bank reconciliations and financial reporting, while working closely with the Board to support sound, well-informed financial decisions. My approach emphasizes accuracy, accountability, and transparency, which closely aligns with HHB's values and objectives.

As a strong supporter of the sport of hockey, I bring both a genuine passion for the game and a solid financial background to this role. I believe this combination allows me to continue adding value as Treasurer and supporting the association's long-term success. I appreciate your consideration and look forward to the opportunity to continue serving HHB in this capacity.
