

**Calendar**

All JV and Varsity games are on the school calendar [http://www.amerysd.k12.wi.us/district/dist\\_athletics.cfm](http://www.amerysd.k12.wi.us/district/dist_athletics.cfm) and on the AYHA calendar. <http://www.ameryhockey.com/page/show/964693-amery-ice-arena-calendar>  
For the most up to date schedule you should you should subscribe to the **school calendar**. Changes to the AYHA calendar will have a delay. I will send out a weekly email once games start but the school will alert us of any schedule changes.

**Required Work Hours**

All families are required to work 18 hours (40 family maximum) and 6 hours of open skate (15 family maximum). All Tournament hours count towards your regular work hours. You can sign up for Open Skate hours on ameryhockey.com on our team page or here <https://signup.com/go/wqxBdmZ>

**Job Assignments for Home Games**

Working home game jobs does not count towards your work hours (only concessions counts towards work hours) but they are jobs that need to be filled by our families. If you work a game that your player is not playing in, it **will** count towards your hours. For example, a varsity player parent can do admissions for a JV game and their hours will count – or vice versa. It is your responsibility to record your work hours on the clipboard by the kitchen. Here are some helpful hints for all jobs assignments...

**Penalty Box** – you are responsible for opening and shutting the penalty box doors. You are also in charge of moving the nets before the game and in between the periods during resurfacing. One of the penalty box workers should also be the shoveler after the Zamboni is done resurfacing. **JV games please arrive at 4:45 - Varsity games nets should in place at 6:30 for warm-ups.**

**Admission** – The school will supply a staff person to work admissions for Varsity games only and they arrive at 6:15pm. **Please arrive for the JV games at 4:45 and at 6:15 for Varsity games.** Individuals only pay admission once per day.

**Concessions** – Two people will work concessions for JV and two for Varsity games. I will be there and have the concessions open by 4:45. **If you are working the Varsity game please arrive by 6:15.**

**Hospitality** – The hospitality room is open in between periods for members of the Blue Line Club. 2 families will sign up provide appetizers, sweets, etc for each home game. The Blue Line Club provides plates, napkins, cups, water, and coffee and I will get that ready for you. You should plan on around 100 people. Some common items from the past would include meatballs, cocktail wienies, cheese, salami and crackers, chips and dip, veggie tray, chicken wings, bars, cookies, etc.

Please sign up for **5-6 jobs** throughout the season. I will assign any jobs that are still open after this meeting. If you need to switch, you are responsible to find a replacement. The schedule will be posted on the bulletin board by the kitchen.

**Team Meals**

Once a week on the night before games we have a team meal for the players and coaches. Team meals are prepared and served by families. We have 28 families so we will work in groups of 2 and each group will do one meal. BLC will provide plates, cups, napkins and utensils so you just provide the food and the milk. 5 Gallons of Chocolate and 1 White. Please prepare food for 35-40 people.
