REGIONAL TOURNAMENT UPDATE:

Regionally, JO Commissioners have agreed that coaches will show proof of a background check and SafeSport at the tournament check-in table. Please be sure that all coaches in your Association carry their card with them to tournaments. They may be excluded from play if they do not have them on-site. Further, we request that our tournament directors also check each coach's background check and SafeSport card at tournament check in.

BIRTH CERTIFICATE AUDIT:

We are currently completing a full audit of all birth certificates in RegisterUSA. We have discovered that while there is a green check mark indicating that the birth certificate has been uploaded, in some cases, the birth certificate is not in the system.

A list of missing birth certificates will be sent to each coach and team administrator. We will work with all teams to upload missing birth certificates in the system.

JOIN US FOR OUR NEW CLASSIFICATION "B" AND "C" STATEWIDE LEAGUE:

Age Groups: 10U, 12U, 14U, 16U, 18U

USA Softball of New Hampshire has partnered with the Hampton Youth Association to offer a NH Statewide league for all teams registering as a classification B or C team for the coming season! This league gives all teams, regardless of skill level, an opportunity to participate against other programs just like yours! We all know how hard it is to compete in the Open or A class tournaments in NH, and this league bridges the gap from rec ball to Class A play by providing a program for all town/rec All Star, Club level mixed teams that want to play all summer but want to be competitive in their games. Check out the league link at USA Softball New Hampshire Class B/C League (hyasports.org)

For more information contact: Terri Warren, JO Commissioner at usanhjocommish@outlook.com or Kristen Taylor at asstusanhjocommish@outlook.com
