

2024 - 2025 Payment Policy

Full tuition payment is due upon contract signing. We accept checks, Visa, MasterCard, Discover or (ACH) Checking Account. We do not accept American Express. Parents with multiple players in the organization must complete all portions of each registration in its entirety for each player.

Families with multiple players in our organization are entitled to a 10% discount that will be applied to the tuition of the second and subsequent siblings. The discount is applied to siblings by tuition, not age; for example, if a family has a Peewee and a short season 16 & Under player in our organization, the discount will be applied to the player with the lesser tuition, in this case the 16 & Under. Discounts will be applied in the form of a credit or refund check to be sent on or around February 1st provided that all player tuitions are paid in full. This discount is forfeited if payment is not made in full by this date.

Depending on when teams are selected, tuition may be paid in full at time of contract signing or ten equal installments (7 or 8 installments for short season teams). If you default on your payment plan for any reason, a 5% penalty will be applied to your account. All accounts must be paid in full no later than February 1, 2025.

Per Atlantic District rules:

No player from any USA Hockey Affiliate or District may register or participate on a team within the Atlantic District if such player owes any financial obligation, including un-returned equipment, to any previous team or organization registered within any USA Hockey Affiliate or District. In signing a contract, you agree to be bound by AAHA Rule 17 regarding releases and appeals. If tuition is not paid in full by February 1, 2025 the Player's name will be placed on the Atlantic District Financial Outstanding list and the Player cannot play for the rest of the season regardless of whether the financial obligation is satisfied prior to the end of the season.

For families experiencing significant financial hardships, a limited amount of financial aid is available. To qualify, you should indicate your interest in receiving financial aid during registration and the link to the application will be emailed to you. You must make a 10% good-faith deposit to hold your player's spot on a team. You will be required to submit a copy of your most recent tax return and a completed financial aid application by the deadline noted on the application. All financial aid applications must be completed online unless other arrangements are made with the Managing Director. Your application will be treated with the strictest confidentiality. Under no circumstances will financial aid be given to families who fail to complete the application. Families who received financial aid in past seasons must complete the current season application in order to receive consideration.

We are happy to answer any questions you have regarding this policy. Kelly can be reached by email at kelly@devilsyouth.com.
