## GEORGE ANGULO SCHOLARSHIP WINNERS

Congratulations to our 2022 George Angulo Scholarship Award recipients, Corinne Alonzo and Patrick Swingle!

Corinne played volleyball with SYC in the recreational and travel program, and she continued to stay involved with SYC as a volleyball referee! She demonstrated leadership and volunteerism throughout high school. She was a class officer and student government officer while attending West Springfield High School. She tutored elementary school students in English & math, and she also lead a community wide fundraiser to unite West Springfield High School in support of Ukraine relief efforts. She'll be attending the University of Notre Dame in fall 2022.

Patrick has been playing SYC/Westend Rugby since the 5th grade. As an Eagle Scout, he created a trail from his neighborhood that allowed residents to more easily access the Cross County Trail. He also volunteered for Nativity Catholic Church Care Ministry – creating a school, community & prayer garden for the church. Patrick created and lead a bike team on the Tour De Cure for the American Diabetes Association and also served as a youth ambassador, bringing awareness to the diabetes. He'll be attending Duquesne University in fall 2022.

SYC wishes Corinne and Patrick the best of luck at school this fall and continued success and happiness in the future!
