

BERLIN YOUTH HOCKEY ASSOCIATION
HOSTING GAMES AT THE NOTRE DAME ARENA
HOCKEY OPERATIONS

You may enter through the lobby door and will exit at closest emergency exit to your locker room.

Team moms will be responsible to take every team player and all coaches temperature before entering the building. (Must be 100.3 or less)

You will also be asked the following questions:

- Are you experiencing a cough, shortness of breath or sore throat?
- Have you had a fever in the last 48 hours?
- If you answered yes to any of these questions, please do not put the players, our employees and other members at risk and come back another day when you feel better.
- If you answered no, please remember to maintain proper social distancing for duration of your visit.

Please follow all arrows and signs when entering arena.

You must maintain 6 ft of social distancing. Absolutely no congregating in lobby.

Please come into the building dressed to play. (Please dress at home or in the parking lot/car) Locker rooms will be available.

Locker room space will be limited, please get ready quickly so another player can also use the locker room. Locker room use will be staggered in order for disinfecting between sessions and will be assigned prior to arrival.

Masks are required to enter the building and they should remain on until you get to the bench.

One parent allowed in the locker room to help assist any squirts/mites that need assistance tying their skates.

Three locker rooms available for each session. Each team and a locker room for girls.

Locker room bathrooms are open but showers will not be available.

No sharing of water bottles and no communal food (treats for the players).

No Spitting.

Score Box: only score keeper, time keeper, announcer allowed.

When your ice session is over you have 20 minutes to exit the building.

Staff will disinfect lobby, used locker rooms, bathrooms and bleachers after each ice session.
