Our Legacy

Mission Statement

Brookline Baseball & Softball exists to offer quality youth baseball and softball programs to the children of Haverford Township, Pennsylvania. Brookline offers baseball and softball programs for boys and girls ages 4-12. The league seeks to offer solid, competitive ball for all children regardless of their ability. Some of the rules governing participation are amended to create a greater sense of fairness and inclusiveness for all players without regard to their ability. Brookline Baseball & Softball strives to keep an appropriate perspective so that winning does not become the only goal. Improved play in a supportive environment is the overriding goal.
